GUIDE TO PURESTYLE[™]

WHAT IS PURESTYLE™?

STABLE AND DURABLE.

PureStyle™ combines the beauty of paint with resistance to moisture, warping, expansion and contraction, making it ideal for high moisture areas.

ENGINEERED FOR STRENGTH.

Wrapped door and drawer front components offer a 5-piece construction that emulates the look of a painted door style. Its natural channel accepts fixative for improved door strength while reducing the ability for moisture to enter.

UNMATCHED BENEFITS.

With less visible changes to surface appearance due to use and aging, PureStyle offers stability and consistency over time.

A PROVEN PERFORMER.

Like all Homecrest products, PureStyle has been subjected to rigorous performance testing and has met or exceeded all requirements.

CLEANS BEAUTIFULLY.

A clean cloth dampened with a solution of 5% dish soap and 95% water is all it takes to clean PureStyle cabinetry. Dry with a clean, soft cloth.

ON-TREND AND IN DEMAND.

PureStyle delivers crisp, clean details and a quality finish. The added benefits of color consistency paired with the resistance to scratching, fading and surface water mean PureStyle delivers fashion without the fuss.

5-PIECE CONSTRUCTION.

PureStyle boasts a true 5-piece construction that effectively emulates the look of painted wood cabinets.

EXCEPTIONAL FINISH.

PureStyle features color consistency without the unpredictable variability often seen by various wood types. The surface regularity of PureStyle results in a fashionable, clean-lined aesthetic.
